Webinar Description

Welcome to our webinar on Classroom Assistants: Cultivating Healthy Relationships.

As educators, we understand the importance of teamwork and collaboration within the classroom. Classroom assistants play a crucial role in supporting teachers, students, and the overall learning environment. In this webinar, we will explore the essential components of cultivating healthy relationships between teachers and classroom assistants, focusing on effective communication, mutual respect, and shared goals.

Hi!

I my name is Darlene Ayala and I am the Director of BumoWork located in Century City. I am deeply passionate about early childhood education and am a devoted advocate of the Montessori Method. With over 12 years of experience in the field, I hold a Master of Arts Degree in Child Development. I have two Montessori teaching credentials which focuses on infant/ toddlers, and preschool age children. My commitment lies in creating a loving, joyful, safe, and nurturing environment for all students, families, and staff members.

**Flexibility and
Adaptability**

The contributions teacher assistants make to the learning process

Teacher assistants make significant contributions to the learning process in educational settings by providing valuable support to teachers, students, and the overall classroom environment. Their contributions can vary depending on the educational level, subject matter, and the specific needs of the students.

Collaboration

“

Unity is strength... when there is teamwork and collaboration, wonderful things can be achieved.

—
MATTIE STEPANEK

“

The whole point of collaboration is that you give and take from each other, and that's how you create things that are totally new.

—
VIRGIL ABLOH

“

Alone we can do so little. Together we can do so much.

—
HELEN KELLER

“

I can do things you cannot, you can do things I cannot; together we can do great things.

—
MOTHER TERESA

“

Collaborate with people you can learn from.

—
PHARRELL

Collaborative Problem Solving

Conclusion

Cultivating a healthy relationship between teachers and classroom assistants is a win-win situation for everyone involved. By promoting effective communication, mutual respect, and collaboration, we can create a positive learning environment where students thrive, teachers feel supported, and assistants can make a meaningful impact. We hope this webinar has provided you with valuable insights and practical strategies to enhance these vital partnerships in education.
